Date: September 25, 2025

1. The undersigned, **Russell Ruggiero** of **6 Hilander Drive (S.B.L. # 44.1-2-72)**, hereby gives notice of appeal from the decision of the Building Department Director made on the **10th day of September, 2025**, in refusing to issue a Building and Zoning Permit on the grounds that the same would be in violation of the provisions of the Code of the Town of Colonie for the following reason(s):

The proposed construction of a 22-foot by 36-foot inground pool in a front yard on a corner lot (Klassen Way) with a 50-foot front yard setback is not compliant with the prohibition of an accessory structure in a front yard in a Single Family Residential (SFR) zoning district as stated in the Town of Colonie Land Use Law, Article VI, Sections 190-24, 190-26(C)(4), and 190 Attachment #3 – Dimensional Table for Prior Established Lots.

2. Appellant alleges:

a. That there are unusual circumstances and conditions affecting said property that are peculiar to said property and do not apply generally to other property in the vicinity, which circumstances and conditions are as follows:

Corner lot where the backyard behind the house doesn't have enough room to fit the pool. Therefore we have to push it over to the side for it to fit.

b. That by reason of the aforesaid unusual and peculiar circumstances and conditions, there are (practical difficulties) (unnecessary hardships) in carrying out the strict letter of the aforesaid provisions of the Building Const./Zoning Law as follows:

Backyard not deep enough to fit the pool

3. Because of the aforesaid alleged facts, appellant petitions the Zoning Board of Appeals, in acting on this appeal, to vary or modify the strict application of the aforesaid provisions of the Building Const./Zoning Law to said property, to the following specific extent:

Allow pool to slightly extend beyond building line

Attached hereto is a plot plan of said property, showing _____

together with _____

4. Appellant further alleges that such variance would be in harmony with the spirit of the Building Const./Zoning Law and would not be detrimental to property or persons in the neighborhood and that the public safety and welfare would be secured and substantial justice done by the granting of such variance, for the following reason(s): still well within property.

Pool will be covered with a fence and landscaping/trees. Pools are present throughout the neighborhood and fits in with other neighbors backyards

5. FOR APPLICATION FOR INTERPRETATION ONLY. State grounds upon which appellant asserts that the order, requirement, decision, interpretation or determination of the Building Department Manager as stated in paragraph 1. above, is incorrect. (Attach additional pages if necessary) _____

The undersigned, being duly sworn, deposes and says that he has read the foregoing document and knows the contents thereof and that the facts set forth therein are true to the best of his knowledge, information and belief
